Programmeren
2025-2027

Experience

Royal Rays bvba (internship) - Antwerp jun 2024-August 2024

My goal during this internship was to attract new clients, gain knowledge of the market, and learn new skills such as assorting. Most of my work focused on assisting with paperwork and administrative tasks.

44 the brands - Mumbai india jun 2025-August 2025

At 44 The Brands, I assist across several branches, including Foodhub, the salon, Decibel44 (event management), and their new restaurant chain, Dosa44. My goal was to attract new clients, engage with customers, and support the team with paperwork and social media management.

Royelle Jewels (Freelancer) - Antwerp 2025-Present

At Royelle Jewels, I help my friends with marketing activities and manage their social media presence. I enjoy creating engaging content and helping the brand connect with a wider audience online.
